

Two weeks ago Rosanky Community Center hosted a Fall Coloring Contest. RCA had several students submit their coloring projects and last week the winners were announced. Before I list the winners, I want to congratulate everyone who submitted their entries. We have some creative and talented students! In no particular order, the following students won prizes and gift cards.

Coloring Contest Winners:

Ella Kirks
Jackson Thomasson
Kennedie Wilson
Lucas Voigt
Katie Campos
Brayden Voigt

Fire Prevention- This Thursday the Fire Department will be at RCA to demonstrate and talk with the kids about fire prevention.

Christmas in October- We are asking everyone to prayerfully consider volunteering for our Christmas in October Toy Drive. There are several ways you can help; managing a game booth, serving at concessions, baking items for the cake walk, decorating, and cleaning up. All the toys collected from Christmas in October will be given away, with food for a Christmas meal, to families in need.

The students had a great time at the yearbook signing party that was hosted this past Friday. Previous students showed up to sign books and hang out with our current RCA students.

Have a great week. Enjoy the cool weather. Praise God for His blessings.

In His service,

JR Regalado
