

I hope everyone had a great start to their week. My family and I enjoy starting off the week at church. Yesterday Pastor Randy preached out of 1 John 4. My takeaway from the message was; that God is love, we are called to love one another, and God's love is revealed to the world through us. I am thankful for Sundays because it allows us to spend time with the Lord and to start the week in a positive direction.

Most students are doing well in the classroom and some have already taken their first test of the school year. Parents, please give extra attention to homework slips. For students to meet their projection goals they need to complete their assigned homework. 1 day of not completing homework can set a student off course for the week and the quarter.

**Progress Reports** Next week is the last week before progress reports are sent out.

**Coloring Contest** The Rosanky Community Center asked our students if they would like to participate in a coloring contest. If your child is participating in the contest they will need to have their coloring sheet submitted by THIS THURSDAY. Last year we had 5 students win a prize!

**Grandparents Day** Grandparents Day is September 29th. Students will be dismissed to have lunch with their grandparents at 11:45 a.m. Teachers sent out information for parents to sign up and bring lunch items, please respond at your earliest convenience. Please take notice that this is a 2 p.m. early release day, but students are free to leave with grandparents after lunch.

**Parent Packets** We still have a few Parent Packets that have not been turned in and we have some incomplete packets that are missing forms. Please have these packets turned in by Wednesday. Here is the list of forms that need to be turned in:

1. Parent/Student Contact Information
2. Student Release Form
3. RCA BBQ Parent Participation Form
4. RCA 2023-2024 Mobile Form/Smart Device Policy (LC5 - LC7)
5. Photograph/Video Use Consent Release
6. Permission Form for Administration of Acetaminophen and Ibuprofen
7. Calling All Volunteers (Optional)

If you are not sure if you are missing a form, please call Mrs. Becky at the RCA office.

Making the best of each day at RCA,

JR Regalado
